Nilkanth Engineering Works

<http://www.nilkanthrmc.com/>

We are a reputed manufacturer & exporter of construction machineries like concrete batching plants, mobile concrete batching plants and more. Based on extensive research, all our products have won world wide acclaim for their performance.

About Us

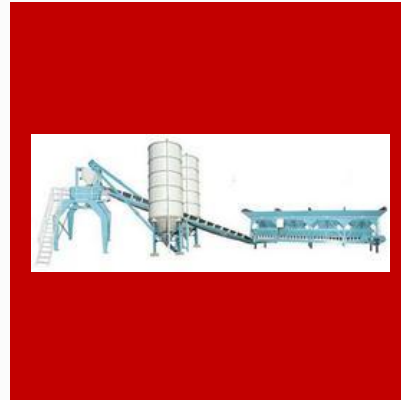

Nilkanth Engineering was established in 1986 by Shri Hasmukh Bhai who had powerful imaginative strength, dreams and affluent skills to fulfill them. He dedicated over 25 years in the field of ready mix concrete machine manufacturing. He relentlessly undertook research and developed concrete mixing equipments, which are globally recognized for their quality and services. With a rich experience in designing and developing customized engineering solutions with latest technology, today this company is one of the leader in manufacturing of construction machineries. Engineered to precision, our wide array of construction machineries which includes concrete batching plants, concrete mixers, transit mixers, asphalt mixing plants, reversible concrete mixers, mobile concrete mixing machines and other construction machineries. We offer quality turnkey projects services for engineering industry.

Year of Establishment : 1986

Nature of Business : Manufacturer

Total Number of Employees : 51 to 100 People

Major Markets :

East Europe	East Asia
Central America	North Europe
Middle East	South America
South/West Europe	South East Asia
North America	Australia/NZ
Indian Subcontinent	Caribbean
East/Middle Africa	South/West Africa
North Africa
